January 25, 2018

Dear Ministry Partner,

Greetings from the El Paso-Juarez area! We rejoice as we share with you some of our accomplishments from 2017. We are still celebrating our Thanksgiving and Christmas Outreaches. We ministered to approximately **22,000** hungry souls at Thanksgiving by providing them with a meal and the word of God. We had **337** people accept Jesus Christ as their Savior through this effort. ***Praise The Lord!*** During our Christmas Outreach, we delivered **5,500** gift bags to children in the colonias (outskirts of Juarez). We served them lunch and they enjoyed their gifts and candy. ***PTL!***

Your prayerful support and contributions in 2017 helped us to keep our 3 Nutritional Centers (N.C.) active. We provided a meal for more than **500** children daily. Your donations also sustained Casa de Esperanza Children's Home where we provided shelter, 3 meals and snacks, clothing, education, medical care and spiritual guidance to a daily average of **49** children. In 2017, we had a total of **120** children that lived at Casa de Esperanza. We also have **4** mission churches that you helped support. This year, we had a total of **12** baptisms. Hands of Luke also has **3** medical clinics. In 2017, our medical staff treated **1,800** children and **2,306** adults. Treatments included IV fluids/medications, injections, oral medications, wound care, Diabetes care and many others. Also in 2017, we began ministering to at-risk youth in the Conquista N.C. by preparing them to take the GED equivalent exam. **80** students received their diploma through this program. This year, **938** have received Christ as their Personal Savior through the ongoing outreaches of Hands of Luke. On average, we minister to **2,800** people a week.

At Conquista, our **12** Mercy Homes housed **50** children and **15** single mothers or widows. In our Bible Institute, **2** students graduated and are serving in churches while we currently have an enrollment of **14** students. **63** students have graduated from the Bible Institute since it opened in 2007. ***PTL!***

We thank you for your kindness for the sick, underprivileged, orphans, widows and homeless. Thank you for enabling us to do all of this for the honor and Glory of God.

In His Service,

M. Carmen Samaniego
