2025

Hello Mission Partners!

It's that time of the year! We're closing in on our busiest time of the year: Thanksgiving Outreach and Christmas Outreach!

Last year, we increased our outreach for BOTH ministries. At Thanksgiving, we served 19,812 meals, and at Christmas, we made 7,700 bags! That's 2,000+ more bags than the year before! Additionally, 1,327 came to know Jesus as their Savior during our events and outreaches last year. What a blessing to be able to bring the community closer to the Lord, and we couldn't have done it without your help.

In the past few months, our ministries have experienced an increase in patients and those in need. Maquiladoras (manufacturing plants) in Juarez are closing, causing many to lose their jobs and medical benefits. Our clinic has seen a big increase in patients, as all of our services are free of cost. This includes IVs, wound care, injections, medications, diabetes supplies, and more. Due to this, we are needing increased resources to keep up and keep providing! Resources include medically trained volunteers, financial donations to stock and maintain the clinic, and, of course, prayers!

For our Christmas Outreach, we've updated our Amazon wishlist to make giving even easier. These are examples of what we need, but it does not have to be the exact brand. Search "Hands of Luke Medical Ministries" on Amazon or scan the QR Code:

We are so blessed to have you as our Mission Partner, and thank you again for your continued support!

Thanksgiving Outreach:

For our Thanksgiving Outreach meal, we serve turkey, mashed potatoes, vegetables, beans, tortillas/bread, and salsa. However, this year, we are facing challenges getting turkeys. The price of turkeys has increased while supply has decreased. Turkey is not widely available in Mexico, so it's a special treat for the Mexican people during this Outreach. We know the Lord will provide so we can continue this tradition!

Christmas Outreach:

Our wonderful volunteers helped create over 7,000 bags this year! The volunteers stuff bags with candy, chips, undergarments, socks, toys, shampoo, soap, toothbrush, toothpaste, and a bible tract.

It's truly a heartwarming experience seeing the joy on these children's faces as they receive their gift and learn about the birth of Christ. The Lord provided in abundance!
